	<p>A subsequent entry provides a resolution adopted by the unit in Oct 67 which prescribed that the trend of activities for the various elements of the Regt during the coming period will remain unchanged. Numerous shortcomings were pointed out, such as the deteriorating morale of elements operating in scattered areas and the inefficient leadership on the part of the Party Committee members.</p> <p>Another entry is dated 12 Nov 67 and entitled "Report on the Order by "Uncle" [Ho Chi Minh] and the Party". This entry discloses that a "unanimous" decision has been made during a recent meeting held by the Central [Executive Committee of the Lao Dong Party in NVN], ordering the South Vietnam Party Committee to launch a general offensive [in conjunction with] a general uprising using the entire Army and population in SVN in order to attain a "decisive" victory during 1968 Spring-Summer. Specifically, both Region 5 Party Committee and MR 5 Party Committee have expressed determination to "liberate" the MR [5] completely during [1967 - 68] Winter - Spring. Efforts will be made immediately to establish [VC] administrative control in all areas as soon as they are "liberated". Emphasis should be placed on harassment activities to be initiated against the entire route network [in MR 5].</p> <p>All units will get ready for movement to the lowlands in order to "liberate" cities and [destroy] Regt and Div-size units.</p> <p>(U) CDEC Comment: No Further Significant Information.</p> <p><i>George F.
